§36.12 Standard III—Program needs assessment.

The policy and procedures of each school and its curricula shall be developed and revised based on an assessment of educational needs. This needs assessment shall be conducted at least every seven (7) years at the same frequency as required in §36.50, School Program Evaluation. This assessment shall include at least the following:

(a) A clear statement of student educational goals and objectives. A student educational goal is defined as a statement of the knowledge, skills, attitudes, or concepts students are expected to exhibit upon completion of a grade level. Student educational objectives are defined as statements of more specific knowledge, skills, attitudes, or concepts students must exhibit in order to achieve the goal.

(b) The collection of appropriate data from which valid determinations, judgments, and decisions can be made with respect to the status of the educational program, e.g.,

(1) Perceptions of the parents, tribes, educators, and the students with regard to the relevance and importance of the goals.

(2) The extent to which educational goals and objectives have been achieved.

(3) The data developed as a result of the evaluation outlined in §36.50 School Program Evaluation.

(c) A statement of educational needs which identifies the difference between the current status of students and the desired goals for the students.

(d) A plan of action to remediate assessed needs.

§36.13 Standard IV—Curriculum development.

(a) Each school shall implement an organized program of curriculum devel-

opment involving certified and non-certified staff and shall provide the opportunity for involvement by members of the local community.

(b) Curriculum development program activities shall be based on an analysis of school programs and shall be related to needs assessment and evaluation.

(c) Each school shall involve staff and provide the opportunity for involvement by the tribal community in planning programs, objectives, and activities which meet student/teacher needs.

Subpart C—Minimum Program of Instruction

§36.20 Standard V—Minimum academic programs/school calendar.

(a) Each school shall meet the applicable minimum program of instruction provided in this subpart and, where applicable, the graduation requirements under §36.32. A school that has difficulty in meeting these minimum academic program requirements may seek alternative ways of meeting some portions of the minimum program. For example, courses may be taught in alternate years. Should a school wish to adopt alternative measures, the school shall submit a request for approval to the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate, for the adoption of alternative measures with a written justification as to how this action will meet the applicable minimum program of instruction.

(b) *Length of school term and day.* All schools shall provide an educational program of studies which is conducted for not less than 180 instructional days per school term. Regular program students shall be in instructional activities, exclusive of lunch (which must be at least 30 minutes a day), in accordance with the following minimums: Kindergarten—2.5 instructional hours/day; grades 1–3—4.5 instructional hours/day; grades 4–6—5.0 instructional hours/day; grades 7–12—5.5 instructional hours/day.

(c) If an emergency arises from an uncontrollable circumstance during the school day which results in the dismissal of students by the school administration, the day may be counted as a
